FRANKLY SPEAKING

To My fellow NNJR Members:

This month's membership meeting featured a step back in time with an interesting slide presentation on the 1972 Watkins Glen 6 hour endurance and Can Am races given by none other than our flagger extraordinaire Craig Thornton. The photos were terrific! Great job Craig, thanks.

Upcoming at our November membership meeting will be the installation of our new Board of Trustees and our annual meeting. Please join us on Tuesday, November 15 at the Ponderosa Steak House on Eagle Rock Ave., West Orange as we bring in our new Officers.

Please mark your calendars and join us at our Annual Dinner Dance to be held on Saturday, December 3rd at the Birchwood Manor [see flyer in this issue]. This is always a great social event and you can't get a better evening of food and entertainment at a price of \$45 per person [guests are welcome].

Also coming up will be our Pine Barrens Express and Teddy Bear Rallies. Come on out and join us for a fun day, we would love to have you participate.

Congratulations to all the competitors who competed in our rallies, races and solo events this year. I hope you enjoyed the competition and the company. We appreciate your participation and I hope you had a chance to make some new friends along the way.

We will have a considerable representation at the Mini con in Allentown this month. There are a lot of items to be discussed and reviewed and I understand we will have representatives from Topeka join us.

I apologize for the snafu in getting the October issue of the Pole Position mailed. I am still trying to figure out what went wrong. The good news is that you can find the latest issue up on our website.

Looking forward to seeing you at an NNJR event soon.

Yours for the Sport,

Frank V. Cioppettini

Scenes from October's Meeting

Photos by Mike Feno & Jackie McCutcheon

Our guest speaker for October was Craig Thornton who gave a slide presentation on the 1972 Watkins Glen 6 hour enduro and Can-Am races. Craig had terrific photos of some greats of racing, including Jackie Ickx, Denny Hulme, Mario Andretti, Peter Revson, David Hobbs and others. Also fascinating were the cars of the era, including Ferraris, McLarens, Porsches, Lolas on the track and in the pits. It was a very enjoyable evening with a wealth of information entertainingly presented by one of NNJR's long-time and knowledgeable members.

2005 Pine Barren Express (PBX) Road Rally

(It is never too early to plan ahead)

19 November 2005

The 1970's began an era in rallying when Denny Gallagher began the first TSD (Time-speed distance) event in the Pine Barrens. Over the years one major event followed another, from the "Not Quite Pro", to the "Born To Run", to "The Jersey Bounce", and now the "Pine Barrens Express". Why rally in a place like the pinelands? Well, first of all, much of the pinelands are State Forests. There are next to no private homes in the State Forests, which means no one to claim to own the roads. We get permits to do "our thing", so no problems with the local Police. Last, but not least, the feeling of being in the middle of nowhere while being close to some place (40 minutes from Philadelphia, an hour-and-a-half from New York City)

The 6th Annual Pine Barrens Express road rally will start in Jackson Township the Saturday before Thanksgiving (Nov 19th). Last year saw 60 teams start (and finish) the 150-mile Time-Speed-Distance event and this year we look forward to more entries, but there is a **limit – 70 cars**.

This rally runs in the Pinelands, through 3 counties (Ocean, Burlington & Atlantic), and utilizes over 90 miles of quality unpaved (sand & clay mix) roads in **five** State Forests. There's an additional 60 miles of top quality paved roads (mostly State & County Routes). Part of one unpaved section runs in the famous cranberry bogs (privately owned farm). Another unpaved road runs continuously for 11 miles, part of it past a military bombing range. The route goes through Fort Dix twice, and passes close to Lakehurst Naval Air Warfare Development Center. While much of the event runs at speeds below 25 mph, the road configurations often say "high performance" (especially in the dark). This brings us to another subject of note....

Equipment needed to run consists of a car, a driver and a navigator. The car should have at least 5 inches of road clearance, not be wider than a compact model, have good headlights and/or driving lights extra, and a not-to-intrusive interior light for the navigator to read the Route Instructions. Four wheel & AWD is not necessary, but can't hurt. The General Instructions shown on the PBX Website (go to www.RVSCC.org and the PBX link) will explain the navigational classes & equipment. The General Instructions will tell you *when, what time, where* and *how much*, and will be up on the website in the beginning of September. While most times it is recommended that you wear light colors at night, **not so** when inside a car with interior lighting in use. Wear dark clothes so you don't reflect light onto the windows you look out of (to see where you're going). Put away your cell phones, **they're a regulation no-no**, and because there are no cell towers in the State Forests or along most of the paved roads in the rural areas. There are restaurants, gas stations and cell towers in the rest break area, so, if you have to

There's no experience needed to run this event. It is truly an adventure not to be missed. There is no other event anywhere in the northeast like this one. We guarantee you won't be bored. It has been crafted by highly skilled & experienced personnel and the quality is championship calibre (3 Championships to be exact). So come one, come all. If you're not sure if you want to compete, we'd love to show you how things work at one of our workstations (check-points) (free food for workers). See you Saturday, Nov 19th.

If you are concerned about running the event the Region is always looking for workers, so please come out and support the program.

The PBX Road Rally will take place in the afternoon and evening, traversing 150 miles of State Forests in the Pine Barrens area of New Jersey. Roads used will be paved and unpaved (dirt and sand). Legal speeds will be used. *It is highly recommended that vehicles have 5 inches bottom clearance and auxiliary lights as may be appropriate.* All competing vehicles must be "street legal", properly registered and insured.

There will be trophies for **Classes: Equipped** (No navigational limits), **Limited** (Clock, 1/100 Odometer and calculator or computer not linked to a clock or mileage device), **Stock** (Clock, stock odometer and non-programmable, single memory calculator) and awards for **Novice** (Same as equipment as Stock, but less than 10 events combined experience). A *Best Index of Performance* Award will be given and *Door Prizes!*

NNJR to host 15th Annual Toys for Tots Road Rally

For those of you who were around back in the late 80's and early 90's Northern New Jersey SCCA in association with the Motorsport Club of North Jersey and the United States Marine Corps Reserve created the 'Tots for Tots' Teddy Bear Rally. This year's event will mark the 15th Annual Toys for Tots Road Rally. And we are looking for your help to make it the best year ever.

This event is a very simple road rally using the back road of Somerset and Morris Counties. The event will start at Saturn of Livingston (see event flyer in this issue of Pole Position) and will end at the Long Valley Brew Pub at the intersection of Route 517 and Route 24 in the center of Long Valley.

This year will be the 15th year in a row that this charity event has collected unwrapped toys (stuffed animals) for the Toys of Tots program.

This event is open to the general public and requires only a car or light truck with a working odometer and a pen to compete. The fee, per car, is a brand new Teddy Bear worth at least \$25.00 retail which will be donated to the USMC Reserve Toys For Tots Program. Registration opens at 11:00 AM, first car off at Noon. Awards for 1st and 2nd in each of 3 classes (Expert, Intermediate, & Novice), Best First Time, Best Saturn, Best Family, Best Husband & Wife, Best RVSCC, Best PCA & Dead Last But Finished.

For those of you who have not been on the Teddy Bear rally over the past 14 years, this is a easy to follow, NON-TIME-SPEED-DISTANCE event, that uses PHOTO CLUES and write instructions to successfully navigate the team through the route to the finish. Each Team is "awarded" 100 points for each mile over or under the official route and low score wins.

Hope to see you there on December 4th.

If you have any questions or want to help out at the event please contact Peter Schneider at 908-876-4597 or via email at PSCHN@US.IBM.COM

Skavnes Takes Second in T-2

Lexington, Ohio (Sept. 24) — Northern New Jersey Region's Kristian Skavnes finished in second place in the Touring 2 race on Saturday morning in a hard-fought race. Starting his Subaru Impreza WRX STi from sixth on the grid, Kris moved to third early in the race.

Race fans watching from an area of the track called "Madness," had the best view of the race, although every vantage point around the track offered exciting viewing. Kristian and Don Knowles (Pontiac Firebird) put on the show of the race as they ran bumper-to-bumper — and many times doorhandle-to-doorhandle — fighting for the second spot, sometimes with Knowles in front, but more often with Kristian holding the preferred position.

A full course caution on lap #9 of the 20 lap race was brought on by an oiled track at turn #1. This caused a number of competitors to slide off into the gravel trap on drivers' right. The caution lasted three laps and bunched all the cars up again.

At the finish it was Chuck Hemmingson (Subaru WRX STi) in first, Kristian in second place, and Knowles taking the third spot.

Kris' father, 25-year NNJR member Kjell Skavnes, watched the race from "Madness." Kjell was able to get to the winner's circle in time to see Kristian receive his awards. It was a very emotional moment for Kjell, who raced in Showroom Stock class for many years. In 1981 Knowles had been one of Kjell's instructors when he went to driver's school. Kjell had frequently raced against Knowles.

When Kris left the winner's circle podium, father and son hugged each other in a joyful and tearful embrace. Although much of the champagne had been sprayed on the podium, Kris saved enough for his Dad to also enjoy a healthy swig, after which Kjell poured the remainder over Kris' head.

Kristian, who lives in Sparta with his wife Katy, was additionally awarded SCCA's prestigious Mark Donohue Award, which is given to the driver who shows outstanding performance, sportsmanship and competitiveness in SCCA Club Racing.
