## What's DA Matter This Month?

Well we just got done with the 'Racing for a Cure - presented by Driving Impressions' regional races at Lime Rock. What a weekend. We had close to 250 cars from what I can tell, a lot of no shows, the final numbers are not in yet. We had nine (9) exciting race groups. This event counted toward the NNJRRC that will be presented at the December party at the Birchwood.

When we decided to make this event the 'Racing for a Cure' regional we all wondered how we should help. These things affect all of us in one way or another. We decided that we would make a donation to Goryeb Children's Hospital at Morristown Memorial and to the Parkinson's Foundation. Once the final figures are in we will present a donation to each group.

As I was driving this past weekend I realized how many people it takes to host a racing event at Lime Rock. There are flag stations, start, grid, registration, equipment, hospitality, race chairs, competition chairs, pit and paddock, fire/rescue, stewards, timing and scoring, tech and sound (did I miss anyone? sorry if I did) as well as the staff at Lime Rock. There are hundreds of people that give their time so we can play at the track. There are countless hours spent before the event making sure all things are lined up. After the event there are post race activities. So next time you are at the track take a look and thank a volunteer worker, stop by the post race party and say 'Thank You.' Without these fine people we could not do what we love, and that is to have the most fun possible while wearing clothes.

The NNJR Rally section would have hosted the Mini-Monte TSD map rally. I hope those that participated had a great time traveling through picturesque roads of Morris, Somerset and Hunterdon counties of New Jersey.

Englishtown,s Raceway Park is active with our Solo program. The car counts keep getting higher and higher. Ernie and his team are the best. This is a great place to learn and challenge yourself.

The next membership meeting will be in September at the Ponderosa. The annual meeting will be there as well. Come on out, Greg is a wonderful host and the food is great! The December event at the Birchwood will be very special this year, wait and see what we have in store this year.

It is nominating committee time again. Frank Cioppettini is the Chairman of that committee. This year we will be looking for an Assistant RE and Treasurer as well as two (2) Trustees. Frank and his team are looking for a few great NNJR members to get involved. Want to get involved and make things better, get on the Board and make it happen.

September will always be a different time of year due to what happened 5 years ago. We honor Joe and Linda with the Freedom Races to be held each year. It is an honor that I can say that Joe and Linda were my friends. They will always have a special place in my heart and the SCCA family. Never forget!

This year has been special for me in many ways. I have felt the highest of highs and the lowest of all lows. I appreciate what we have and why we can do what we love. Make sure you appreciate every moment you have, if there is something you want, strive to get it, don't wait. Set goals and attack them until they are realized. I waited a long time to drive because I thought I couldn't do it. Get involved!

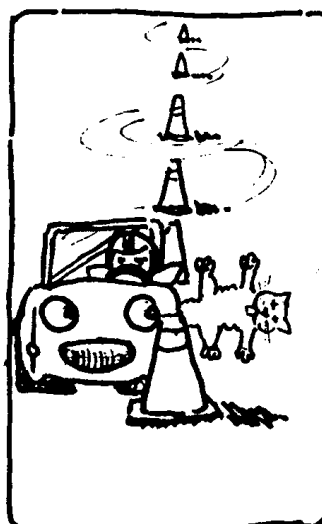

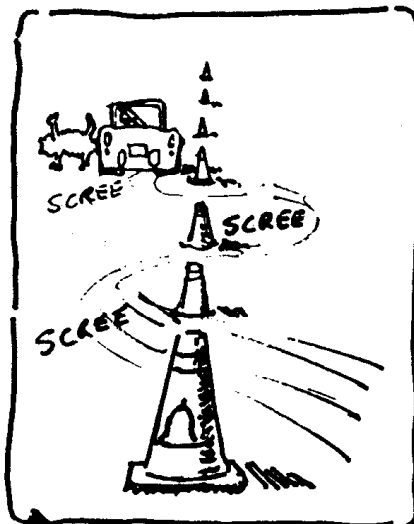

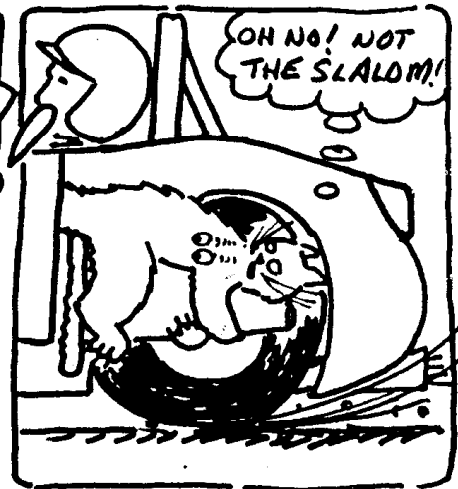

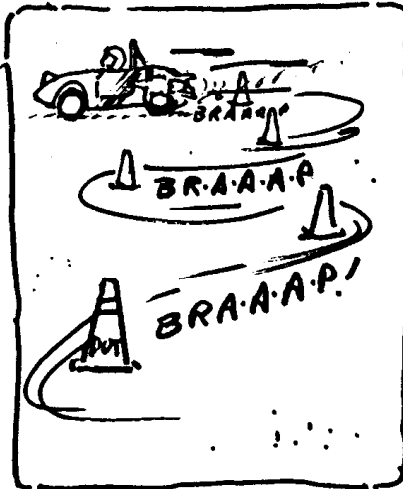

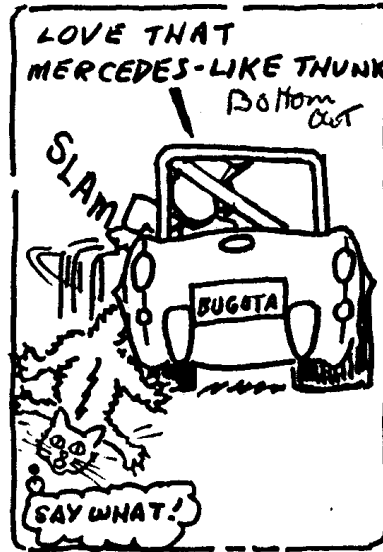

NNJR has close to 1000 members, it is time to come on out to an event and have some fun. Bring a friend, come on out and see what motor sports has to offer you.

To end on a sweet note, my friends from NeedMoreRacing North will be married the last weekend of August. I send all my best wishes to Russ Horton and Carol White. May many IT cars be in their future!

Have fun; bring a friend to a race.

Darrell

## HUBER'S HASH for September

Well, Northern New Jersey Region's "*Racing for a Cure*" is in the record books. This was the region's last race event for the 2006 season. We enjoyed full fields, safe competition, good weather and good racing. **Bob Melhado** was Chief Steward and did a great job. **Jackie McCutcheon** and **Steve Ambrose** did yeoman's service as Race Chairs. **Bob McCutcheon** flagged and handled equipment. **Brian Bielanski** filled in as Flag Marshal. **Terry Roberts** as Registrar; **Linda Louie** in T&S; **Diane O'Connor** at Grid; **Bart Carlevaro** in the Pit Lane; **Pete Watson** as Starter; **Bill Etherington** in Tech; **Joe Russell, III** listening up at Sound; **Dave Hoffman** sitting as Competition Chair.... Thanks to everyone who worked so hard to make "*Racing for a Cure*" a success.

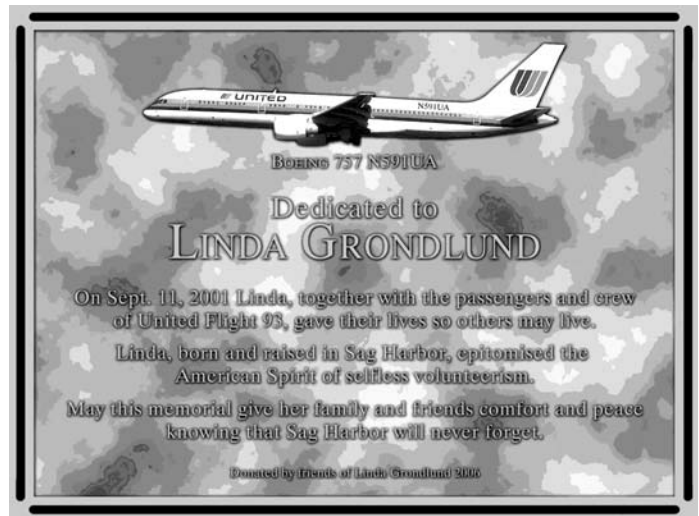

I think I can speak for **Bob Melhado** also when I thank all the folks who wished Bob & me a "Happy Birthday" at the track. We were both surprised by the decorated birthday cakes – one for each of us – which Jackie arranged with the caterer. I really enjoyed my slice of cake. Thanks, Jackie.

Just a reminder to Bob, though.... Hey, Rascal, we may share a birthday, but you're still a year older than me.

**Laraine Galfas** forwarded an e-mail from **Mary Bailey** the other day. A plaque will be unveiled at the **Linda Gronlund State Park** in Sag Harbor, NY, on Saturday, September 16<sup>th</sup>. The dedication will be at 2:00 in the afternoon. Following the dedication there will be a reception for Linda's family and friends from 3:30 to 5:30. And after that, all are invited to a party at **Mary & Paul Bailey's** to "celebrate friendship."

Those who remember when we used to race at Bridgehampton and "celebrated friendship" at *Chez Bailey* afterward, may also wish to consider making hotel reservations. Those parties usually lasted until very late and the Baileys' floor is a really hard mattress – Trust me; I speak from experience.

Mother Bailey suggests that you e-mail her at [city2kitty@aol.com](mailto:city2kitty@aol.com) or give her a call at 631-725-2921, if you have any questions. She suggests calling during the evening as there is no answering machine. If you want to leave a message during the day, you can call their daughter Kelly at 631 725-8480.

## HUBER'S HASH for September

At the recent New York Region Nationals held at Lime Rock, a difficult protest was lodged involving two complete engine teardowns. I want to use just a bit of space in this column to thank several folks who stepped forward to help the Stewards of the Meeting in a variety of ways. **Mike George** of *Autoworks*, **Marc Cefalo** of *Planet Miata*, **Tri-Region Race Group**, **Paul Capel, Sr. & Paul Capel, Jr.**, **Brian Holtz**, **Terry Ozment**, and a number of others who actively assisted or offered their assistance. I and the stewards' committee thank you all.

On the Thursday evening prior to NNJR's "*Racing For a Cure*" regionals at Lime Rock, several of us went to the Sharon Playhouse to see a production of the "*Will Rogers Follies*" An enjoyable time was had by all. This was the last of the three productions which Sharon Playhouse puts on each summer. A few weeks back we had also seen another of this year's shows, "*Chicago*." That show was better than a Broadway production! But *Follies* was a really great show also.

Perhaps there are some other readers who attend the SCCA events at Lime Rock and who would like to join us next year on the Thursday evening which opens a weekend race event at Lime Rock. Our routine is to get to the track, register, get set up in the paddock, and then head the five miles down the street to the playhouse and make the seven o'clock curtain. If we get enough folks who are interested, we could even get a group ticket discount. Send me an e-mail – [WaltHuber@optonline.net](mailto:WaltHuber@optonline.net) – if you're interested.

An "Oops!" race photo.... Here's a shot of an incident at a NE-Ohio event. Picture came to me via **Bill Etherington**. According to the accompanying story, this didn't happen during a race; rather during qualifying! Thankfully, no one was injured. Guess they must hand out some really great trophies to the winner of qualifying.

Wedding bells.... NNJR's **Debbie Zuilkowski** got married in Ohio on August 19<sup>th</sup> while most of the rest of the NNJ racing community was at Lime Rock. We hope Debbie and her husband will be living here in the East so they can come play at Lime Rock next year. Wherever they settle, we wish them all the best!

New England Region members **Russ Horton** and **Carol White** will be tying the knot on Saturday, August 26<sup>th</sup>. If you are a flagger, then you are well acquainted with these two nice folks. They've both been flagging for bunches of years. Russ was NER's Flag Marshal a couple years back. More recently he's been competing in the number 5 ITC VW Rabbit. Much happiness and all best wishes to them both!

## 2007 Runoffs Class Criteria Finalized; Top 24 Based on 2006 Participation Will Race

TOPEKA, Kan. (Aug. 28, 2006) ^ Sports Car Club of America, Inc. announced today that the Board of Directors has formalized the criteria for determining which 24 classes will make up the 2007 SCCA National Championship Runoffs®.

The top 24 classes based on total participation in 2006 SCCA National Club Racing events will compete at the Runoffs in 2007.

With 25 current SCCA Club Racing classes carrying “National” status, and several more new classes being recently approved, the Board determined previously that 24 separate races was the ideal ceiling due to logistic constraints.

“The most fair and logical way to determine which classes will compete at SCCA’s most visible amateur event road racing event is to pick the most heavily subscribed”, SCCA Director of Club Racing Terry Ozment said. “This process allows the racers to control their destiny and have no concern that a class will be granted a waiver of any kind.”

The number of participants from every Nationally-sanctioned event throughout the “regular” season leading up to the Runoffs will be compiled and, the 24 eligible classes for the next year will be announced at that year’s Runoffs. For instance, the classes that will participate in the 2007 Runoffs will be announced at this year’s event.

Classes that do not make the top 24 will still be eligible for consideration the following year, and will still hold “National” status.

In the event of a tie, the highest single division total will serve to break the tie, followed by the second highest, and so on, if further tie breakers are needed.

SCCA will post the most up-to-date numbers available on its Web site in the Runoffs section.

GT-Lite cars at the 2005 SCCA National Championship Runoffs. GT-Lite is going down to the wire with Touring 3 for 2007 Runoffs eligibility. Both classes will race at the 2006 Runoffs.

## THE FORMULA CAR MAGAZINE FORMULA FIRST CHAMPIONSHIP IS MOVING EAST

Formula First in most of the world is where Formula Vee is heading. In the states there is an active cadre of what are now called FST'ers who are promoting the Formula. There are now purpose built FST cars but many Formula Vees can be converted to the FST formula. Basically, the old 1200 Vee engine is replaced with a newer more powerful 1600 engine. The rear suspension is the same but it gets disc brakes. The front suspension is the newer ball joint design again with disc brakes. Best new features are the tires which are long lasting spec wide tires and there is only one legal transmission.

The schedule features races at east coast mainstay tracks and well as the normal central division tracks.

### 2006 FormulaCar Magazine Formula First/Formula Vee Challenge Cup

- Round 1** - May 27 Grattan (Western Michigan Region)
- Round 2** - May 28 Grattan (Western Michigan Region)
- Round 3** - July 8 Blackhawk Farms (Blackhawk Valley Region)
- Round 4** - July 9 Blackhawk Farms (Blackhawk Valley Region)
- Round 5** - July 22/23 Watkins Glen (Glen Region)
- Round 6** - August 26 Road America (Chicago Region)
- Round 7** - August 27 Road America (Chicago Region)
- Round 8** - September 23 Nelson Ledges (NeOhio Region)
- Round 9** - September 24 Nelson Ledges (NeOhio Region)

At the Nelson and the Glen races competitors will conduct seminars for interested parties. The organization will have conversion information and rules packages for all to discuss. Hope to see you there.

Shown is the new, built for FST, Campbell Evoluton.
