What's DA Matter This Month?

December of 2006 already!!! What happened? Well, to say 2006 was an interesting year would be an understatement. We shook things up a little. So what did we do and how did we do?

Solo - Ernie and his team do an outstanding job at putting on the best Solo series in the SCCA. I know I say this every month but it is true. If you want to see what you and your car can do this is the place to do it. We were lucky this year to have several members go to the National championships in Topeka. Stephanie Chang brought home the gold for NNJR in F Prepared Ladies. Radomin Delgado (who owns the GT3 Porsche that Stephanie won with) brought home the Silver in F Prepared.

Rally - NNJR once again hosted four (4) rallies in the great state of New Jersey. The Pine Barrens Express is one of the top rallies in the country. Last year this had the most entries. Peter Schneider is moving on and Wendell Newsome is stepping in. I have known Peter for many years and wish him all the best no matter where or what he does. I do get the feeling Peter's heart will always be in the NNJR rally series.

Membership Services - In 2006 we had a decline in membership. The Board is investigating this and we hope to stop this and get more members in 2007. We need people to volunteer to go out into the high schools and talk to the young and aspiring racers in our midst. Seems everyday driving on Rt 80 or Rt 95 I get passed by several young Mario wanna be's. Time to put on the thinking caps over the winter and find out what we can do to get more people involved.

The Pole Position was mailed to all members, we heard your voice and the Board acted accordingly. The monthly meetings held at the Ponderosa have been sparse in attendance but filled with good times.

Racing - In May we had the best event possible in Pocono to celebrate the love of racing of Joe DeLuca and Linda Gronlund. How can we make this a better event for 2007? Dave Hofmann has a few ideas up his sleeve, just wait and see what happens at Pocono in 2007. This was the first two (2) legs of the NNJRRC. The July PDX did not turn out the way we planned. It was a great event just the turn out was low. Rick Pocock and Chris Dyson did a great job. Should we do another PDX in the future? I would love to do one and get as many new members on the track as possible. This is how I got the bug to go racing. It is a great way to get on the track and see what it is all about.

In August we had our 'Racing for a Cure - presented by Driving Impressions' event at Lime Rock. This was the third leg in the NNJRRC, we had a huge turn out and great racing. We made a nice donation to Goryeb Children's Hospital at Morristown Memorial.

That was 2006 in a few paragraphs. For 2007, what do we do now....

We have some new Board members. I want to welcome Chip McKinley, Chip has been a NNJR member for years, he will bring some new ideas for sure. We need to say thanks to Joe Russell for his 4 years of service on the NNJR Board. Joe always has constructive comments on how we can do better for our members. Greg Gellas, Mike Feno and Ben Phillips are staying on for another stint. 2007 will be fun for sure!

Solo - We need to keep Ernie and his team well funded to ensure the NNJR Solo program continues to grow and get better. Ernie has already made a few requests and the Board is happy to oblige. Look for another full slate of NNJR solo activity as well as several areas to improve.

Rally - Wendell will follow in Peter's footsteps and make some of his own I'm sure. The NNJR Rally program is in good hands and will prosper in 2007. Look forward to 4 rallies again in 2007.

Racing - We recently attended the Mini-Convention in Cherry Hill to plan the 2007 racing schedule. I had the privilege to meet Jim Julow, our President and CEO. We also had three (3) directors present, Bob Introne, Brian Holtz and John Sheridan. We learned a lot and had a great time. By the way, we decided to host the Roundtable in March of 2010. This will be a fun time for all I'm sure.

Back to racing ... We had our Pocono date settled, this will be on May 12 & 13, we will host the '2nd Annual Joe DeLuca and Linda Gronlund Freedom Races and Enduro'. For Lime Rock we literally had to draw straws to see what region would pick first. We drew the short straw and got to choose first. We picked our traditional August regional date, August 11 & 12, so we will once again have the 'Racing for a Cure - presented by ?????' in 2007. The other three (3) regions picked dates. Drawing the short straw gave us the opportunity to obtain a second date at Lime Rock, with 4th of July on a Wednesday this is the last year for a while where there is one extra event. We were lucky enough to get the National on July 27 & 28. This is the 50th year of continuous operation for Lime Rock Park. I can't wait to see what the NNJR members and LRP do to celebrate this milestone.

So 2007 will be even better than 2006 for NNJR, your Board will make sure of that!

On a personal note, 2006 was a year of the ultimate high and of unimaginable lows. We need to learn from our mistakes and make sure we do better. Always try to do the right thing.

See you in 2007!!!!
Darrell

HUBER'S HASH for December

The best line that I heard during the weekend of our Mini-Convention in Mount Laurel came during the Sunday morning "Town Hall" meeting. The three Directors who represent our division on the club's National Board of Directors were seated at the head table along with SCCA President and CEO **Jim Julow** who had come in from Topeka for the Mini-Con. As the meeting opened, **Brian Holtz** began by introducing himself: "I'm Brian Holtz, Director from Area 2." The other two Directors followed suit: "**Bob Introne**, Director Area 1." "**John Sheridan**, Area 10." Lastly, it was Julow's turn. He looked up from his paperwork and said: "Jim Julow, Area 51."

I'm hearing word that another **Flagging & Fire Safety School** may be in the works at Lime Rock for the Spring of 2007. The four racing regions which use Lime Rock held one of these schools in mid-March of 2005. It was a great training session, attended by many and enjoyed by all. And I am also hearing that one of the annual NorthEast Division Stewards Training and update sessions may be scheduled for the same weekend using a neighboring chalet at Lime Rock. Let's hope it all comes to fruition – this promises to be a great opportunity to discuss, learn and share together.

After many years as keeper of the NE-Div purse-strings, **Jerry Buckbee** stepped down at the recent Mini-Con. Selected to replace Jerry was our own **Peter Roberts**.

But since Peter had already been a member-at-large on the NE-Div Council, his former position now needed replacing. And elected to take the member-at-large position was Mohawk-Hudson Region's **Tom Campbell**. Did you follow all that?

Recently, I was parked at the side of the road waiting. A utility pole – a 'telephone pole' – was alongside my vehicle. As I looked at the pole while waiting, I sensed that there was something unusual about it – not wrong or broken or incorrect – just unusual. It took a few seconds before I realized what it was: There were footpegs in the pole all the way to the top. That pole had to be – what? – maybe forty years old? For many years now, every utility worker's truck has a bucket on a hydraulic lift to take the lineman up the pole to his work. I'll wager most of today's linemen have never strapped on a pair of climbing spikes and climbed up a pole using spikes and footpegs to get to the top.

The "**Raymond**" cartoon reprinted in last month's **Pole Cat** goes back to the 1980s. This 'toon ended the series which had depicted Raymond as a feline walking on all fours. In this strip, we learned that Raymond had run away to seek his fame and fortune in the world of Road Racing. In all the **Raymond** cartoons which **Joe** drew after that, Ray assumed more human properties. Ray would walk upright on his hind legs. He wore clothes. He could speak. And he could drive

At that time, milk cartons typically were printed with a picture of a lost, run-away or missing young person as a public service announcement. In the last frame of this strip in which Raymond runs away there is a milk carton in the fridge with Ray's picture on it. For whatever reason – but probably due to size constraints – Joe shortened the word 'Homogenized' on the milk carton to only the first four letters; call it artist's license, I suppose. There were a goodly number of SCCA regional publications around the country which were reprinting the Raymond cartoons drawn by Joe. It was quite popular. One publication which used the strip was San Francisco Region's "**The Wheel**." When the milk carton strip appeared in "**The Wheel**," the truncated adjective "Homo" had been airbrushed off the milk carton entirely.

Marianne Krauss of New York Region made an afghan which was raffled off at the Runoffs® in Topeka. The money raised by the raffle was donated to the **Flight 93 National Memorial Project** (<http://www.flight93memorialproject.org/>) which is raising the funds to build the permanent Flight 93 Memorial at Shanksville.

This is not the first time Marianne has used her sewing talents to benefit the memory of Fight 93. A couple years ago she made another afghan which was raffled off and the money sent to the Shanksville Volunteer Fire Department. They had been the first to arrive on the scene that day. Thanks Marianne!

Hip! Hip! Hooray!.... **Suzanne Kolker** had hip replacement surgery recently. Indicative of the fact that she is a consummate Flagger as well as a Fire/Rescue volunteer, Sue scheduled her surgery for about two weeks after the last race of the season. Now she can devote the entire off-season to her recovery and be ready to go once again when things get busy in the Spring. Here's wishing you a speedy and complete recovery, Sue.

I'm hearing some noise (but definitely not louder than the 103 decibel limit) that **Peter Perrault** may have some knee replacement surgery coming up during the off-season. Peter is a New England Region Member who also serves as our Divisional Administrator for Sound Control. Hope all goes well and you'll be back on your feet real quickly, Peter.

I heard from New York Region's **Bob Thomas** recently. Bob's been out of commission going on two years having been laid low by Guillain-Barré syndrome, a rare neurological disorder of unknown causes which results in muscular paralysis often lasting several years. Adding to this, Bob had some major surgery recently, not associated with the Guillain-Barré. Another round of surgery will be scheduled for early next year. These have kind of put a crimp in his recovery process from the G-B syndrome, but Bob expects to be back at the track come July. Keep at it, Bob!

Speaking of long recovery periods, NNJR Flaggers know **Bob Brookfield**, a Flagger from the Washington DC Region. Bob's aunt was a long time member – rallyist, flagger & for many years in the 60's & 70's our region's Secretary – **Grace Mott**. Seems Bob broke his leg back in the Spring and his recovery has been one long and seriously pot-holed road. Bob is waiting on an okay from his docs to proceed with bone graft surgery as the next step in his recovery.

In a note received from **Matias Bonnier**, it was learned that his wife, **Sarah**, had surgery to remove her gall bladder recently. Word is that the surgery went fine and Sarah is now home and resting. She wants to let her friends know that she is doing fine and expects to be back on her feet soon. Although Mat & Sarah were unable to be at our August Lime Rock races this year, they were our Chairman of the Stewards and our Safety Steward respectively at the event in 2005.

Lastly in this series of illness & recovery reports, **Kenneth Burke** had some same-day surgery recently. He had two hernias repaired but didn't miss any school. His folks, **Sharon & Jeffrey**, scheduled Kenneth's surgery to be done during teachers' convention. (Bummer, Ken! Couldn't you get them to do it at some other time so you'd get out of a couple days of school?) He did miss two weeks of karate, though, just before the big Shiai, which is when all of the American Budo Kai schools come together to show off their karate skills to family, friends and other students. (Double bummer!! Kenneth – have you considered calling DYFS and reporting this mistreatment?)

Moving along to some good news.... *Congrats!* to **Linda Louie** who reports that she recently aced her ham radio Technician level test. Just as soon as she receives word of her call letters, we'll report same here so the rest of you hams can give her a shout.

More good news.... **Mack McCormack** has been selected to succeed **Stan Wantland** as Divisional Administrator for Flagging & Communications. Mack is a New England Region member and can always be seen at Lime Rock events.

One last item of good news.... **Bob Introne**, the SCCA Director who represents us on the national board of Directors, will be serving another three year term as our representative in Topeka. Bob ran unopposed for reelection this fall. Bob also happens to be a State Representative in the New Hampshire legislature. He stood for reelection in his political post and won that election also.

Hope we will be seeing you at the Region's Annual Dinner at the Brichwood in Whippany in early December. And here's hoping you will all enjoy a wonderful Christmas, Hanukkah, & New Years holiday season!

STEPHANIE CHANG - 2006 SCCA F PREPARED LADIES NATIONAL CHAMP

NNJR member Stephanie Chang did NNJR-SCCA proud by her accomplishment of winning a Solo National Championship on the first try, driving fellow NNJR member Radomin Delgado's Porsche 911 GT3 in F Prepared Ladies, at the Solo Nationals at Heartland Park in Topeka, Kansas the last week of September.

This was a ride that came together just in time to get an entry in, and required borrowing a truck and trailer to get the car towed the 1250 miles to Topeka.

Stephanie and her husband Chris have only this year begun venturing into the autocross world beyond local events, traveling to some National Tour and Divisional events. Her success shows that the NNJR Solo program provides great seat time and experience for moving on to bigger events.

FORMULA FIRST COMES TO THE NORTHEAST

Formula First (FST) was confirmed as a 2007 NEDiv regional class at the NEDiv Mini-Convention in Cherry Hill, NJ on November 12th. FST has been a CenDiv regional class for the past two years with entries over 100 per year. The FST class made its NorthEast debut at Watkins Glen in July with an 11 car field. Many of the FST cars are based in the Eastern Great Lakes area and expect to attend races at the Western NEDiv tracks. It is expected that over 40 FST cars will race across the country in 2007.

Formula First was introduced as a class which would "plug in" to the FV/F500 race group. This will boost entries in a race group with room for expansion but will not affect any other existing groups or their track time. FST performance is between classic FV and F500 levels.

Formula First race cars are much like the Formula Vee that has been raced in the U.S. for over 40 years. The later air-cooled VW Beetle provides inexpensive components which are still manufactured for an international VW aftermarket. The complete front axle assembly is used with steering rack, ball-joints and disc brakes. A restrictor plate is used on a strictly modified 1600 cc engine. Other features include spec gear ratios, enlarged driver compartments, and long-wearing spec Hoosier tires. Classic FVs can be converted with absolutely no disadvantage.

FOR IMMEDIATE RELEASE

2007 GCR Now Available on SCCA.com

TOPEKA, Kan. (Nov. 14, 2006) The 2007 Sports Car Club of America General Competition Rulebook (GCR) is now available for download from the SCCA website and will be available in hardcopy shortly.

In addition to being outfitted with rules for the new Prepared classes and updated Formula, Touring and Improved Touring classes, the 2007 GCR has undergone an extensive review to provide competitors with clear, concise regulations in an easy-to-follow format.

“The book is added to and subtracted from each year,” SCCA Technical Services Manager Jeremy Thoennes said. “After years of this practice, we ended up with duplicate language or in some cases conflicting language in various sections. The reorganization involved a review of each paragraph; moving similar sections together and resolving any conflicts. The result is a book with better structure and flow, making it easier to find what you are looking for.”

The 2007 GCR can currently be found in PDF format on the SCCA Web site. Hard copies will be mailed to all licensed SCCA drivers shortly before the New Year.

The 2007 GCR is available at <http://www.scca.com/Club/Index.asp?reference=gcr>

**Update your Email Address at
www.SCCA.com**

Now that the Pole Position is provided by email as a default, it's important that Members, Spouses and children check their Email address at <http://ams.scca.com>

You can also access this by clicking on the top right button "SCCA Member Login" at www.scca.com. You will have to register the first time you visit myscca.org and get a password. After that, you can change your password and maintain your information.

SCCA National provides us with an updated list every month. We use that list to push out Email notices of interest to NNJR members such as online availability of the current Pole Position is available online and information on meetings and competitive events.

Many of the Email addresses at the National office are missing or outdated. We cannot change that information. You must maintain it yourself.

**ATTENTION NNJR
MEMBERS!**

Remember the short story about Joe Russell in the January issue of Pole Position? (You can look it up on the web-site if you don't have a hard copy). We would like to do more stories about members whose interests outside the club would have interest to other members. You may not be a "publicity hound", but we would like to publish a short article with a photo of you doing your hobby or activity or even an interesting job. We know there are many members out there who fit the bill. Don't make us chase you down. (We will if we find out about you, so save us the detective work). You can e-mail, call or fax Mike Feno. Contact information is on the masthead.

**Flash - SCCA-NNJR.org
gets hundreds of hits
per month!**

Do you have a business that you want mentioned and linked on SCCA-NNJR? Send the webmaster a GIF with your logo and the 'url' you want linked and we will be proud to display your link. This is your website, we can use this tool better.

**HOW IS YOUR REGION
USING YOUR DUES?**

THE REGION DUES IS USED FOR POLE POSITION, MEMBERSHIP MEETINGS, THE ANNUAL DINNER DANCE, AND THE REGION PARTY.

THE BOARD OF TRUSTEES IS ALWAYS LOOKING FOR WAYS TO IMPROVE WHAT THE MEMBERS OF NNJR GET FOR THEIR DUES. PLEASE SEND ANY COMMENTS TO DARRELL AT DARRELL@NEEDMORERACING.COM. THESE WILL BE BROUGHT UP AT THE NEXT BOARD OF TRUSTEES MEETING (IN CONFIDENCE). YOUR SILENCE MEANS WE ARE DOING THINGS RIGHT, BEING VOCAL MEANS WE CAN IMPROVE THINGS.

Your home is your castle. Stay as long as you wish.

And with proper planning, should a long term care need arise, you may be able to do just that. Long term care insurance helps you have more options about where you can receive care, and it helps those who love you take care of you better and longer. I represent leading long term care insurance carriers including one of the pioneers, Genworth Life Insurance Company. Call me soon to learn how long term care insurance may be just what you need to help keep you in your castle. I will also be able to provide further details on the costs, benefits, limitations and exclusions of a Genworth Life Long Term Care Insurance policy.
