## What's DA Matter This Month?

What's 'DA' matta this month!

Happy New Year! What is new for 2007? I know for sure the 2007 will be better than 2006 by a large margin.

### ***Better parties:***

See you on January 27 at the Packanack Lake Clubhouse for the NNJR Region Party featuring Solo and Worker awards. We are trying a new venue so come on out and join in the fun. Bring your appetite, thirst and videos, we should have a video system to critique our driving escapades. Bring the family!

### ***More Rallies:***

Wendell Newsome has plans for the four (4) rallies in 2007 as well as a few more up his sleeve. Look for details on the website and in upcoming announcements.

### ***Better Solo program:***

Look for Ernie and his crew to do an even better job at putting on NNJR solos. The NNJR solo program is one of the best in the SCCA.

### ***More NNJR at the races:***

The NNJRRC will be back as well as the Victoria Cup for 2007. You must be a NNJR member prior to the first even to be eligible. Come see Jeff Haines defend his title.

We will have the Once-A-Year tech sessions and preseason meetings as always.

The 4 area regions (NNJR, NER, NYR and MoHud) should be putting on a Fire School at Lime Rock March 31 & April 1st. Look for more details on the website, still early.

Look for NNJR at Pocono and Lime Rock in 2007. We will of course have the Joe DeLuca and Linda Gronlund Freedom Races and Enduro at Pocono on Mother's Day. This is a great event with plenty of tight racing. The parties are some of the best. The weather this year will be better than last year for sure. Will Doris Gronlund be back to wave the green to start the NNJR racing season? Last year was special, this year will be even better.

NNJR will be hosting the 50th anniversary National at Lime Rock in July 27 & 28. Look for a very special time and party to go along with this event, 50 years at LRP and NNJR has been there all along the way.

A few weeks after the National on August 10 & 11 we will be hosting the best regional of the season at Lime Rock. The 2007 will see many new teams, the racing is the best in the country.

NNJR plans to get back into providing staff for pro events at Lime Rock, still too early to tell but it looks good.

**Less meetings:**

NNJR will cut back in the membership meetings. We will have the Region Party in January. We will have two (2) membership meetings during the season. We will have our Annual Meeting in November. The two (2) meetings during the season will be fun filled out of the ordinary events, wait and see what we have planned!

**Less Pole Positions:**

We decided to reduce the number of Pole Positions published. We will have six (6) per year starting with January and skipping a month between issues. We will be relying on email and post cards for updating our members.

What will 2007 bring? Be part of it, come on out and join the fun.

NNJR, we're back, time to drive yet.....  
Darrell

## The Adventures of Raymond the Cat

## HUBER'S HASH for January

The SCCA is overseen by a National Board of Directors. Thirteen members, one from each of the Club's thirteen Areas, are elected by the membership in the respective Areas and serve three year terms. **Bob Introne** is the Director from Area One – that's our Area – and he ran unopposed for a second three-year term. When an election is uncontested, the Club's bylaws allow for the Secretary to cast one vote for the candidate. That's what happened this time. The three Area One regions — New England, New York and Northern New Jersey — will have Bob representing us on the Board of Directors for another three years.

Just announced as this column gets ready to head out to the printers: At the December Board of Directors meeting **Bob Introne** was tapped to serve another term as SCCA Chairman. This will be Bob's second successive one year term as Chairman. The rest of the club's officers for 2007 are: Vice Chairman, **R.J. Gordy**; Treasurer, **K.P. Jones**; and Secretary, **Jim Christian**.

Also recently announced from Topeka is the appointment of **Kathy Barnes** to the position of Chairperson for the SCCA Solo National Championships at Heartland Park Topeka next September. Kathy will be responsible for appointing and directing the various chiefs of specialty, developing improvements for the event operations, updating the supplementary regulations, and any other facet of making the event run smoothly. They could not have selected a better person to chair the Solo National Championships. Congrats, Kathy!

One more item coming out of Topeka recently: The selection of the five inductees who will be installed in the **SCCA Hall of Fame** for 2007 are: **Marge Binks** of the San Diego Region, **Marc Gerstein** of the Philadelphia Region, **Carl Haas** from Chicago Region, **General Curtis E. LeMay** an early member who opened SAC Air Force bases to sports car racing in the 1950s, and **Theodore F. Robertson** who was one of the original founders of the club in New England. These folks will be inducted into the SCCA Hall of Fame at the National Convention when the National Convention convenes in San Antonio in early February.

Closer to home.... A very enjoyable time was had by all who attended the **NNJR Dinner-Dance** held at the Birchwood Manor in Whippany on December 2<sup>nd</sup>. After tasting all the delights available on a table that stretched the length of the room during the cocktail hour, we were forced to sit down and eat a whole 'nuther meal! But, we SCCA types are up to the challenge, and we managed to eat our way through to the very last bit of dessert.

During the cocktail hour, I got to speak with **Bob Spreen** and his wife **Lois** for a bit. Bob is contemplating getting back into racing with one of his old race cars. He said he was interested in vintage racing. He's looking into participating in the **Historic Race Group** which was begun under the auspices of NNJR and is now a North-East Division program. It's been a bunch of years since Bob was on track. Let's just say that the last time Bob went racing, his car was a much newer model.

At the Birchwood **RE Darrell Anthony** gave a report on the year just past and the Region's very active role in racing, rallying and solo. He also reported on the plans for the coming year. DA recognized the Northern New Jersey NARRC participants and the NNJR Runoffs participants in his comments. He specifically mentioned **Stephanie Chang** who championed in **F Prepared Ladies** class at the **Solo National Championships** at Heartland Park Topeka this year. Congratulations, Stephanie!

As I write this, Christmas is just a couple days off. I love driving around our state and seeing all the holiday decorations. Increasing in popularity each holiday season – as well as for most all of the other holidays throughout the year – are these inflatable lawn figures. Right now, it's Santa, Rudolph, Frosty the Snowman, the Grinch – as well as Pooh, Snoopy, pumpkins, football players, etc., during other times of the year. It's kind of like a business you wanted to get into a couple of years back; you could've made a real bundle! Every other home you pass has one or more of these balloon things on the lawn. Many of the homes create very the homes create very nice seasonally appropriate or holiday displays with these blow-up figures. Give these homeowners ten points for their holiday spirit!

And then there are the homes – and it's more than just a few — which have these balloon figures on the front lawn, but for some reason, they've turned off the electrical circuit which energizes the motor intended to keep the figures inflated. The nylon is flopped across the lawn like someone dumped large baskets of colorful laundry there. It looks like crap. Deduct fifty points from these homeowners for their wry holiday spirit.

Many of these balloon figures have tie-down strings which are supposed to be staked out to hold the figure upright and in place. I saw one home in Boonton where the homeowner had tied the strings from a Santa figure to the upper portion of a railing behind the Santa. When I drove past, the air pump had been turned off and Santa was slumped into the ropes looking for all the world as though he'd been hanged! Can you imagine some little kid passing in a car and seeing this? "Mommy! – They've killed Santa!" Deduct one hundred points from this guy's total.

Warning to those heading to Florida to participate in some early season National races.... West Palm Beach has been dressing up a cop in drag in an effort to nab drivers who run a red light. "Officer Delicious," as he is known by his fellow cops, stands on the corner in his mini-skirt, wig & fake boobs, spots the offenders and radios to a chase car which then stops the offender and writes the ticket. During the holiday season in Orlando there's a cop with a laser-radar gun, dressed as an elf, who is nailing speeders. Elsewhere in the Sunshine State there's a cop dressed down as a homeless dude who is ratting out speeders to cops lying in wait further down the road.

*Overdrive* magazine, the bible of over-the-road truckers, reports that the worst roads in the nation are in Louisiana. This is not surprising as we can all imagine that hurricanes Katrina and Rita did a real number on that state's highways. This is the first time that Louisiana has taken the top spot in the truckers' voting. *Overdrive* reports that the state with the second-worst highways in the nation is the one which has been a perennial winner of this negative accolade. It's the state which we here in the northeast have known for years as having the worst roads: our neighbor to the west, Pennsylvania! Congratulations to the Keystone State.

After that in the worst roads competition come California (3<sup>rd</sup>), Illinois (4<sup>th</sup>) and Michigan (5<sup>th</sup>). By the way: the truckers say the best roads are in Texas. Florida, Tennessee, Georgia, and Virginia round out the top five best roads states.

The best drivers in the country are in Texas, according to the trucker-voters, while California has the worst.

Back home again.... **Doris Gronlund**, eighty-one years young, was in Memorial Sloan Kettering Hospital in New York recently for some serious surgery. She's recuperating at home now and in a note received from her today says she is on the mend. One of my informants tells me that **Tom Purvis**, the head guy at BMW/North America sent a limo to take Doris home to Sag Harbor from the hospital. It's nice to know that Linda and her family have been neither forgotten nor abandoned by the nice folks at BMW. Hooray for BMW and especially Mr. Purvis!

We received a note from Doris just before Christmas. In it she thanks the Region for our care and interest. She says that she has "...so many wonderful memories of SCCA. What a great organization with great people in it. May your Christmas be merry and bright, and may God bless us all. Love, Doris."

We love you, too, Doris. Get well real quick!

Lastly.... You don't want to forget the **Region Party** which will be held on January 27<sup>th</sup> at the Packanack Lake Clubhouse in Wayne. Solo Awards; Worker Awards; a Town Hall Meeting; food and drink; conviviality. More information available elsewhere in this issue and anytime at [www.scca-nnjr.org](http://www.scca-nnjr.org)

### FORMULA FIRST COMES TO THE NORTHEAST

Formula First (FST) was confirmed as a 2007 NEDiv regional class at the NEDiv Mini-Convention in Cherry Hill, NJ on November 12<sup>th</sup>. FST has been a CenDiv regional class for the past two years with entries over 100 per year. The FST class made its NorthEast debut at Watkins Glen in July with an 11 car field. Many of the FST cars are based in the Eastern Great Lakes area and expect to attend races at the Western NEDiv tracks. It is expected that over 40 FST cars will race across the country in 2007.

Formula First was introduced as a class which would "plug in" to the FV/F500 race group. This will boost entries in a race group with room for expansion but will not affect any other existing groups or their track time. FST performance is between classic FV and F500 levels.

Formula First race cars are much like the Formula Vee that has been raced in the U.S. for over 40 years. The later air-cooled VW Beetle provides inexpensive components which are still manufactured for an international VW aftermarket. The complete front axle assembly is used with steering rack, ball-joints and disc brakes. A restrictor plate is used on a strictly modified 1600 cc engine. Other features include spec gear ratios, enlarged driver compartments, and long-wearing spec Hoosier tires. Classic FVs can be converted with absolutely no disadvantage.

For more information, please visit <http://www.formula-first.org/> or contact the NorthEast FST Driver Representative ... [greg13rice@hotmail.com](mailto:greg13rice@hotmail.com)

### **Update your Email Address at [www.SCCA.com](http://www.SCCA.com)**

Now that the Pole Position is provided by email as a default, it's important that Members, Spouses and children check their Email address at <http://ams.scca.com>

You can also access this by clicking on the top right button "SCCA Member Login" at [www.scca.com](http://www.scca.com). You will have to register the first time you visit [myscca.org](http://myscca.org) and get a password. After that, you can change your password and maintain your information.

SCCA National provides us with an updated list every month. We use that list to push out Email notices of interest to NNJR members such as online availability of the current Pole Position is available online and information on meetings and competitive events.

Many of the Email addresses at the National office are missing or outdated. We cannot change that information. You must maintain it yourself.

**[www.SCCA.com](http://www.SCCA.com)**

### **ATTENTION NNJR MEMBERS!**

Remember the short story about Joe Russell in the January issue of Pole Position? (You can look it up on the web-site if you don't have a hard copy). We would like to do more stories about members whose interests outside the club would have interest to other members. You may not be a "publicity hound", but we would like to publish a short article with a photo of you doing your hobby or activity or even an interesting job. We know there are many members out there who fit the bill. Don't make us chase you down. (We will if we find out about you, so save us the detective work). You can e-mail, call or fax Mike Feno. Contact information is on the masthead.

### **Flash - SCCA-NNJR.org gets hundreds of hits per month!**

Do you have a business that you want mentioned and linked on SCCA-NNJR? Send the webmaster a GIF with your logo and the 'url' you want linked and we will be proud to display your link. This is your website, we can use this tool better.

### **HOW IS YOUR REGION USING YOUR DUES?**

**THE REGION DUES IS USED FOR POLE POSITION, MEMBERSHIP MEETINGS, THE ANNUAL DINNER DANCE, AND THE REGION PARTY.**

**THE BOARD OF TRUSTEES IS ALWAYS LOOKING FOR WAYS TO IMPROVE WHAT THE MEMBERS OF NNJR GET FOR THEIR DUES. PLEASE SEND ANY COMMENTS TO DARRELL AT [DARRELL@NEEDMORERACING.COM](mailto:DARRELL@NEEDMORERACING.COM). THESE WILL BE BROUGHT UP AT THE NEXT BOARD OF TRUSTEES MEETING (IN CONFIDENCE). YOUR SILENCE MEANS WE ARE DOING THINGS RIGHT, BEING VOCAL MEANS WE CAN IMPROVE THINGS.**

# Your home is your castle. Stay as long as you wish.

And with proper planning, should a long term care need arise, you may be able to do just that. Long term care insurance helps you have more options about where you can receive care, and it helps those who love you take care of you better and longer. I represent leading long term care insurance carriers including one of the pioneers, Genworth Life Insurance Company. Call me soon to learn how long term care insurance may be just what you need to help keep you in your castle. I will also be able to provide further details on the costs, benefits, limitations and exclusions of a Genworth Life Long Term Care Insurance policy.
