Meeting minutes from previous meeting approved

### **Treasurer's Report:**

No update this month

### **Road Race:**

Chris Mosley mentioned that the first NEDiv divisional race of 2022 is the last weekend of April at Palmer Motorsports Park.

Terry Hanushek is checking to see if a race will be scheduled in 2023 that would conflict with the Region's ability to host a race Memorial Day weekend.

Chris Mosley mentioned that NeDiv are setting up a race scheduling meeting to outline events for 2023. The hope is that we will be able to schedule events to accommodate all groups that wish to host events.

### **Rally-x:**

NJMP has stopped replying to messages about hosting a rally-x cross program. The Region is going to put out a notice to see if any members know of any sites available to host rally-x across the broader community.

### **Solo:**

The April 16<sup>th</sup> event is the next one on the 2022 schedule. We are hopeful to get more registration numbers to avoid having to cancel the event. We now have a new event scheduled for August 7<sup>th</sup>. Due to this new date the May 1<sup>st</sup> event will be cancelled. In May we have an event on May 14<sup>th</sup>, and May 20-22 is NJ Pro Solo.

### **Rallye:**

We had 89 cars showed up for the Highlands event. The Highland Coalition will be paying the expenses for the event. The event was profitable.

Next rallye event is on April 24th. Twenty cars are signed up currently.

**Membership:**

Peter Schneider mentioned that Don Yeske (in attendance at the meeting) may be interested in hosting a new members call. Peter asked if Perry Aidelbaum or Mark Labbanz would participate to talk about solo.

**Other Business:**

Peter Schneider is still looking for articles for the monthly email blast. Peter asked Chris Mosley to send him something about 2021 NEDiv awards. Chris said he will also take pictures from the race event coming up at Palmer Motorsports Park. Peter Schneider asked Perry Aidelbaum for pictures from the upcoming solo event that can be included with the results.

Linda Santangelo – Mosley mentioned she is joining an SCCA call for people from various regions and they will talk about mini conferences held by some regions and other activities. Peter Schneider asked Linda to bring up switching SCCA virtual convention sessions all to Zoom so that people can see who is in attendance and the event chat.

Jeff Yatsko talked to Rick Meyers with SCCA National Office to get some SCCA swag to advertise at our Murata corporate event on May 13th.

Our next meeting is May 11<sup>th</sup>.

Meeting adjourned at 8:12 PM.
