Treasurer's Report:

We have money to cover our expenses.

Jason Evangelista will pay the new invoices for solo program insurance.

Jason Evangelista sent Perry Aidelbaum the two checks he needs to cover the costs for the ProSolo and the Corporate Event.

The filing for 2021 Region taxes will be completed and sent in on Sunday, May 15th.

Club Race:

Linda Santangelo-Mosley provided an update on the May 1st NeDiv season kick off race event at Palmer Motorsports Park. The turnout for the event was good. The next NeDiv event will be at NJMP in June. There has been a noted increase in accidents at events recently. This was true at the Palmer event as well, and more will need to be done to calm driver's down to avoid taking chances.

Rally-x:

No update this month.

Solo:

The event held two weeks ago was a success. Over 100 drivers. The event was profitable for the Region.

The corporate event with Murata Controls is this Friday, May 13th. We have 55 drivers and 30 spectators signed up. We have an Solo event the following day, but only 55 drivers have signed up currently. Hoping for more people to sign up so the event can be held, as scheduled.

The ProSolo will be held May 20-22. We have 182 participants signed. Attendance is lighter at national events so far this season.

Rallye:

The last event was held on 4/28. There were 28 cars. Everything went well. The next event is July 27th. All paperwork and event prep is complete.

Other Business:

Monthly Email Blast:

Peter Schneider is hoping to include something from Linda/Chris about the 2021 NeDiv championship awards, including pictures and who won each award. Also looking for information for the Palmer season opener.

Membership:

Next update of service anniversaries comes out in June.

The Board will go back to meeting on Mondays for the remainder of the summer. Next meeting is June 13th at 7:30 PM.

Meeting adjourned at 7:54 PM.
