

NNJR SCCA Board of Trustee's Meeting Minutes

October 10, 2022

Board Member Attendance:

In Attendance: Don Yeske (NNJR member guest), Perry Aidelbaum, Peter Schneider, Todd Forno, Mark Labbanz

Absent: Terry Hanushek, Jeff Yatsko, Linda Santangelo-Mosley, Chris Mosley, Marko, Bill Petrow

Note: This meeting only included four board members and one member guest. A quorum was not reached, so this meeting was repurposed as an informal discussion of Board members.

Treasurer's Report:

Peter Schneider provided a financial update. All current bills are paid. This includes the one for the last solo event and the national rallye held this past weekend.

Board Items:

Peter Schneider confirmed he would take care of the ordering of the new region banners for next season for the solo and rallye programs.

Race:

Terry Hanushek is working to schedule a race event with Pocono – tentatively May 19th -21st for a test day and Majors Tour event. The SCCA Steel Cities region are trying to take the same date for an event in their region. It is in question as to who will get the date on the Majors Tour schedule. More to come as the schedule is completed.

Rally-x:

No update

Solo:

Perry Aidelbaum provided a wrap-up of the 2022 season. The region held 6 events this year. We would normally have 10 events. We are likely to break even or make a small profit. Due to timing issues at the final event we gave out coupons for \$25 to each attendee for any 2023 events.

Peter Schneider asked Mark Labbanz and Perry Aidelbaum to share an email list of solo folks so Peter can include them in the email blast and include info about season points and other program updates.

Perry Aidelbaum suggested we look into holding an event at the new indoor karting facility in Edison, NJ. Perry and Jeff Yatsko will go there to see what kind of rooms and facilities they have to host a club social event.

Peter Schneider asked Perry Aidelbaum or Mark Labbanz to put together a write-up on the driver of the year and season points' info for the monthly email newsletter.

Rallye:

Last weekend was our national rallye event. Peter Schneider broke the event into a national and regional class to help boost participation. Rallye is set to break even for the year.

Upcoming rallye events:

Oct. 23rd – Highland Trek

Teddy Bear Rallye in December

Membership:

Don Yeske asked if we could place a banner at the new Edison, NJ go kart facility to have a tie-in between SCCA and those who go to race go karts. This is something that will be looked into when Jeff Yatsko and Perry Aidelbaum visit the facility.

Meeting adjourned at 7:56 PM

Next meeting is on Monday, November 14th.
