 - Solo
 - (Including \$7000 journal entry from solo to club racing) \$4400 loss
 - Overall for 2023 our region has a \$21,244 loss (-14% margin)
 - Operating income is at \$27,657 (doesn't include the check from the last event at MetLife, which would put us to about \$21,000)
 - More expenses can be deducted including:
 - Storage
 - Quickbooks
 - Reserve is at \$3211
 - Jason may add \$5000 to make sure that we're above

\$8k and avoid any bank fees for not having enough money in the account

- Solo was profitable last year, but administration fees and the Pocono event really set us back
- One big expense paid in May was insurance for all of the vehicles, so we're covered for the year. Jason is just waiting on insurance cards.
 - South Jersey agreed to pay registration and insurance for Vanna White (they'll owe us around \$1500)
 - They may also buy the van from us outright

Solo Report

Update on Solo events held and future events

- Made about \$1800 with the ProSolo
- Mark squeezed out a trophy spot from Perry by .084 seconds!
- Had an event with around 105 cars last Saturday
 - Estimated \$700 profit
- The Marotta event had to be postponed to the fall, and we won't have a date until the MetLife football schedule is released.
 - This event is one of the most profitable events of the year (last year we made \$2600 profit)

Financial update

- Monthly price of storing the solo truck going up significantly.
 - (25ft long, 7ft wide, 11ft 3in tall, small chassis class C motorhome)
 - Stable Energies and ID Signs were both mentioned as potential new storage locations
 - SJR stores their truck on farmland when not in use
 - Linda mentioned that we could all try to pool efforts to find a new facility to store the truck

- Palmer event yesterday
 - Had 140 cars show up (previously was 95 cars)
- In two weeks will be another event at NJMP Lightning

Rally

Rally events

- Rally on the 4/28/24
 - \$300 profit for the event
 - There were 11 attendees through MSR and 5 walk-ins
- President's Update
 - They made a big deal about the Club Spec Mustang. There was one that completed the One Lap of America event!

- In February, Linda approached Mike Cobb about regional road racing since the SCCA doesn't seem to focus much on regional events. They seem to favor their majors.
 - If we want things to change, we need to keep pushing on the SCCA national staff!

Don **Membership Report**

Status on new membership pamphlet

- Still making progress on NNJR SCCA pamphlets to hand-out to prospective new members!

Linda **SCCA National / Regional Events Report**

New event - Coffee & Cars (or other possible names) Discussion on membership survey; Topeka "INC" reference material SCCA Foundation Legacy project

- Linda spoke with the Director of Marketing for the SCCA and they plan to meet and discuss the membership survey
 - The Assistant RE of the New England Region is doing something for membership outreach. So it'd be good to pick his brain pertaining to the survey
- We've had some many famous people come through the NNJR SCCA. As people get older, we're losing information.
 - Linda will start pulling older articles to add into the newsletter.

Peter **Monthly Newsletter**

Articles for newsletter needed last week of every month

- Peter has Perry's update on the ProSolo, he has his update on Rally, and the President's update
